

PULITO PARQUET

NEUTRAL SOAP FOR WOODEN FLOORS

Pulito Parquet is a concentrated neutral soap suitable for the frequent parquet cleaning; recommended both on varnished and oiled or waxed floors.

Besides its cleaning action, it also revives and protects the wood thanks to specific waxes and it leaves a good smell.

Suitable at home and for high traffic commercial areas.

There is no need of rinsing; it quickly dries and does not leave any marks; after a few minutes, it is possible to walk.

Technical data

Physical characteristics (20°C – 60% R.H.)

Aspect	Light blue liquid	Specific gravity	1,00 gr/cm ³
Viscosity (FORD 4)	10"	pH of pure product	~ 9

Storage & Labeling

Storage in original unopened packaging at ambient temperature	24 months PROTECT FROM FREEZE	Symbols of risk	NONE
---	-------------------------------------	-----------------	------

Packaging	Bottle of 1 L	Drums of 5 L
------------------	---------------	--------------

Application

- ✓ Before washing the floor, remove dust and impurities with a vacuum cleaner or a mop.
- ✓ Dilution: for normal cleaning, pour 1 cap (~ 50 ml) into 5 liters of warm water. In case of heavy dirt, pour 3 caps (~ 150 ml) into 10 liters of warm water.
- ✓ Wash the floor with a soft cloth; the cloth must be well wrung in order to leave on the surface only the proper quantity of water. If necessary on resistant dirt, apply directly pure Pulito Parquet on the area, let it react for a while and carefully wipe with a clean sponge or a soft cotton cloth.

Pulito Parquet can be applied with Cinderella spray mop cleaning system, diluting 20 ml into the water reservoir; with 1 liter of Pulito Parquet, 50 refills can be prepared.

Notes

- ✓ Shake before use.
- ✓ Do not exceed the recommended quantity

Safety norms

FOR PROFESSIONAL USE ONLY. Strictly respect the information reported on the labels and consult safety data sheet before use.

In compliance with Eu.Reg.648/2004 and following amendments and adjustments.

It contains non-ionic surfactants with biodegradability >90% (<5%), EDTA (<5%), perfume.

Disposal of waste

Dispose not used product and empty containers in accordance of local in force regulations.

The information reported in present technical data sheet are for guidance only and they do not hold our responsibility; the environmental conditions and the employ modalities are out of our control. We advice to check that the product fits for the work to be done.

REV-2 25-10-2011 Current Technical Data Sheet replaces the previous one.
